04/08/2016	  <a href="#">342</a>	ORDER - This Court intends to issue an order soon, it needs the Government to take a definitive position on whether or not it wants the Court to review the subset of documents contained in envelopes Two and Three before it rules. The Court can not and will not base a ruling on evidence it has not seen. Therefore, the Court is returning Envelopes Two and Three to counsel for the Government unopened. It has not and will not consider them. They have not been officially filed nor have they been reviewed in camera so they are not in any sense a part of the Court's record. If the Government wants the Court to consider the contents of these envelopes, it should have them delivered to the Court by close of business on April 15, 2016. If it chooses to do that, the Court will review the contents before it rules. If the documents are not delivered by 5:00 p.m. (Central Time) on April 15, 2016, the Court will assume the Government did not want them considered. The Court hereby orders the District Clerk's Office to photograph the unopened envelopes and attach those photos as sealed exhibits to this order. It is also orders the District Clerk's Office to ship the unopened envelopes back to the attorney who sent them to the Court. (Signed by Judge Andrew S.
